

WALZ PLAYERS BEAT FELDMANS

Three Fine "Boneheads"

fielding themselves but near the end of the game they threw in three errors for good measure. But despite their sensational fielding, the Feldmans managed to pull three fine "boneheads." In the second inning, with a runner on first, Sanchez hit a grounder at Rix. He was within six feet of second at the time and there was a fine chance for him to touch second and then throw to first for a double play. But Howard forgot second and whipped the ball to first.

Mex Roberts in Linelight

In the fourth, with the bases full, Medina lifted a high fly to Max Roberts. All three runners had left their bases and Max had a fine chance for at least one putout but hung on the ball and looked happy. In the seventh, with one out and Rix on first, Crabbs swung at the third strike. Caro, doing duty behind the bat because of Chacon's injury last week, dropped the ball. The umpire clearly called "batter out," but Crabbs scooted for first. Rix thought something was up so he drove for second. It happened that he made it but Crabbs had no license in running to first on a dropped third strike when the first base was occupied.

Swell Stop by Minjarez

Minjarez's stop of Scolling's hard drive in the third was the fielding feature for the Mexicans. All hit the ball hard but Caro gathered three hits while Carpio tallied with a home run and a single.

ONE reason that the Mexican team is leading the Commercial league is that manager Gomez can place his players in any position and they are able to make good. With his regular pitcher in the outfield, an outfielder on the mound and the regular shortstop behind the bat, the Mexicans won Sunday morning's game and they had to play good baseball to do it.

FAILURE of the Feldmans to win a game or two is sure hard luck. Manager Rix was rather up against it on Sunday morning when only eight players showed up. He had to play short himself and put an infielder behind the bat, though he has two good catchers on his list.

PERHAPS you are unable to shoot as well as Capt. A. H. Hardy did at the Pass City Gun club exhibition on Sunday morning but if you keep on doing your best, it will be better all the time and the day may come when, fancy shooting aside, you will be able to hold your own with the professionals who tour the country.

SHOULD the Copper league be enlarged to four clubs, it is likely that the new teams will draw heavily on the local semi-professionals for players. There are now some crack players in the Commercial league and these men are being watched closely by representatives of the semi-professional organizations in different parts of the southwest, while one Texas league club will have a scout here to see the games either next Sunday or the Sunday following.

GIANTS are certainly hitting their stride in the National league and nothing seems to stop them. They'll run out of wind one of these days and some team will take advantage of the breathing spell to put a finish on the winning streak.

MEXICAN ball players may be hard to distinguish but E. Mesa is a pretty husky boy while Jose Villareal is a little shaver and it is pretty tough on Mesa to credit his victory to Villareal.

PURITYS once more demonstrated their luck at Rio Grande park on Sunday afternoon when, despite seven errors, they managed to come from behind and nose out the Krackajacks for the victory.

SOLDIER boxers who are taking part in the crippled newboy's benefit this week desire it to be known that they are donating their services free of all charge. Barand and Muskopf, who meet in the star event, are expected to put up a sensational bout.

HOWARD RIX threatens to resign as manager of the Feldmans to see if his men will play baseball for some other leader. Rix is willing to take his chances as a high private and hold down an infield job but he is tired of the responsibilities of manager. On Sunday, four of his regulars failed to put in an appearance for the morning game.

FRANK HUELSEMAN, known as the champion slinger of the Albuquerque team last year, is now in the outfield of Bill Hurley's Great Falls pennant chasers. Hurley has gathered a team of heavy hitters and the dopesters pick the team to finish first or second in the North-western league.

EL PASO gunners showed their ability to hold their own with professional shots in straight trap shooting on the Pass City traps on Sunday morning. The locals may not be up to snuff at fancy shooting but when it comes to dropping the blue rocks, they are right on the job.

VOLEY BALL LEAGUE

TO BE FORMED AT "Y"

The Voley ball friends of the regular class of the Y. M. C. A. will meet on Thursday evening at 8 o'clock in the gymnasium for the purpose of organizing a league to play through the summer.

Voley ball is having a great run among the business men and employed boys and now that the hard winter work is over the regulars should be able to devote some time to it.

As a recreative and social game it stands alone. It also furnishes a fair amount of exercise and thus is especially suitable as a summer game.

Those who are planning to enroll for the league should hand their names to physical director A. L. Hahn or Paul Klump.

PLAY OVER ENTIRE GOLF

COURSE WITH ONE CLUB

San Francisco, Calif., May 22.—Departures from the conventional seem to be receiving attention in golf. Following close on the heels of the "cross country" golf which has taken the fancy of some golfers in the north-west, comes word of a game played at Sacramento.

In a recent tournament at the Sacramento Country club the entrants were compelled to go over the entire course of 18 holes, using only one club. The player was allowed to pick any club he liked, but having taken it could not change.
